God's Nurture / Education of Adam

God plants trees, forms animals as Adam watches:
Education about who God is.

God puts Adam in his palatial residence, gives him his charge:
Education about who Adam is.

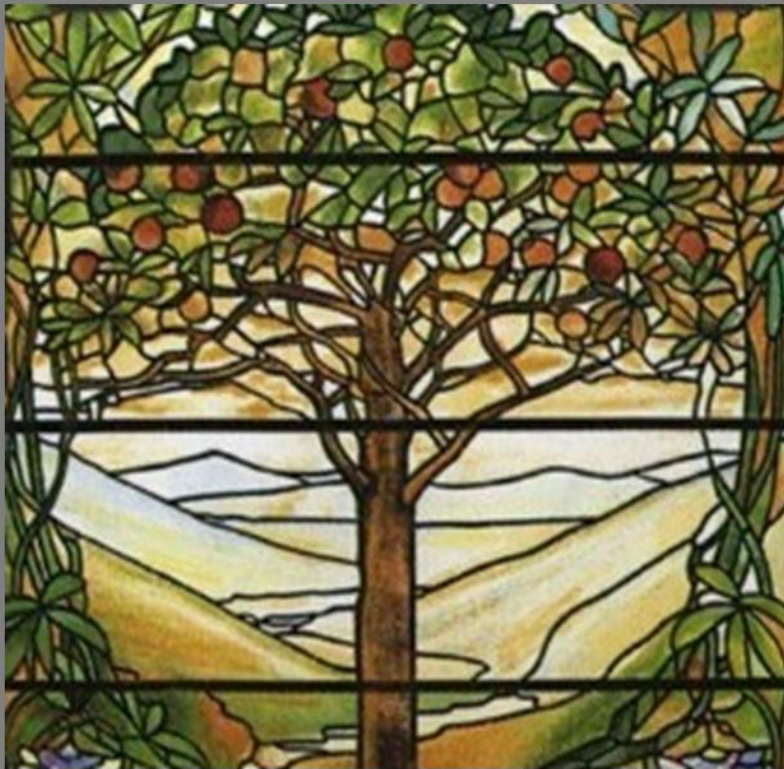

- Notice: Godliness begins >
God's thoughts become Adam's thoughts.

2 Trees: Knowledge of Good and Evil / Life

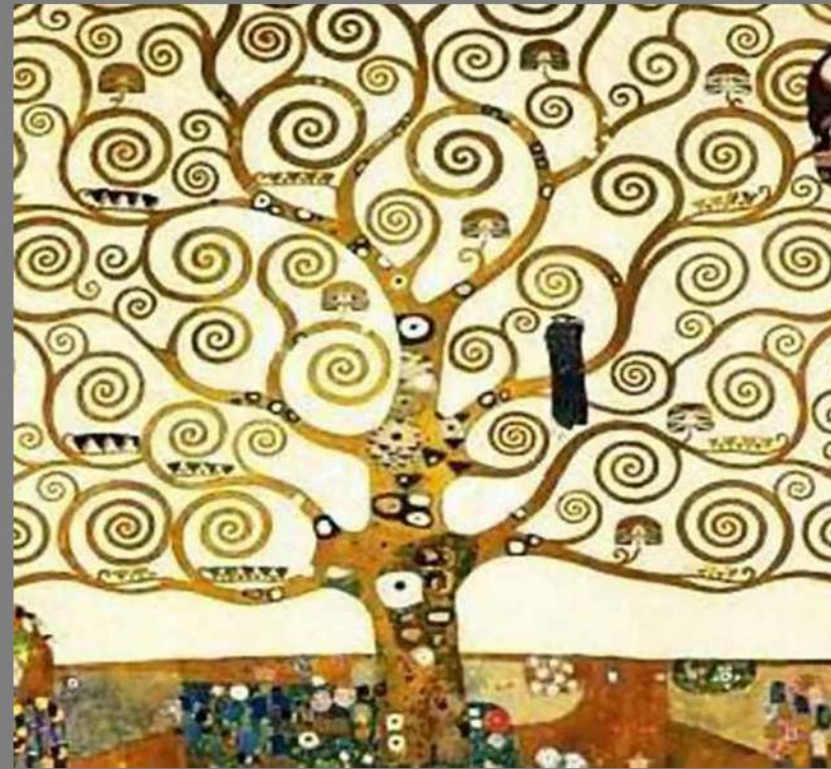

The Forbidden Tree:

Q. Volition test? Q. Is God keeping secrets?
Q. Or is this about relationship, who God must be for mankind?

The Un-forbidden Tree:

Q. Does God want them to choose this one?
Q. Will he force them?
