

# Orientation to God's Word

## Lesson 4

Review:

### **Adversary's Attack:**

1. Produce distrust in God's Word
2. Offer a Counterfeit Opportunity
3. Allow the lust of flesh, lust of eyes, and pride of life to steer mankind down his path.

Genesis: (Chp 4 -11)

History of mankind to after the fall to the scattering of the nations.

Three Major Attacks and God's response:

1. Cain and Abel
2. The Flood
3. Tower of Babel

# Cain and Abel

## Cain

An offering of fruit, the product of the work of his hands.

God has no respect for the religious works of Cain.

Cain responds in hatred and cooperates in the adversary's attack against the seed of the woman.

## Abel

An offering of shed blood, signifying his understanding of his own condemnation and need.

God has respect for a response of faith in God's identification of the remedy.

God punishes Cain, but does not kill him and will not allow anyone else to kill Cain.

# The Worldwide Flood

Sons of God

Job 1 and 2

Jude 6

2 Peter 2:4

Sons of God = Angelic Beings

Angels who went with Adversary and are cooperating with him to corrupt the seed line.

A direct attack against the seed of the woman.

God institutes human government.

# Tower of Babel

Revolt of humanity under one,  
great name: Nimrod.

- Tower of idolatry  
and rebellion
- God confounds language and  
disperses mankind in nations.

God gives over the nations: no longer interact with them.
